PROFESSIONAL EXPERIENCE

Independent Freelancer

06/2023 – present

- Worked on several small projects with 100% satisfaction rate on upwork.

Full Stack Web Developer Intern

08/2022 – 09/2022

Sain Informatix Pvt. Ltd.

- Developed a fully functional website from scratch. The front-end of a website was made using HTML, CSS and JavaScript, and the back-end with Python using Django.

PROJECTS

Library.org

12/2023 – 02/2024

- Developed a full stack web application which allowed users to checkout a book, return / renew books, manage their payments to the library, and also allowed admins to manage books in the library..
- Developed backend RESTful APIs using Java Spring Boot to handle user authentication using Okta, secure payment procession using Stripe, and database interactions using JPA. Used react.js for the front-end.

Employee Management System

10/2023 – 10/2023

- A combination of the Spring Framework and the Thymeleaf Engine was used to create a web application that allowed users to add, update, remove, and find all the employees in the database system using RESTful APIs.

MedTime

08/2022 – 03/2022

- Developed an Android application aimed at addressing public health issues using Java, SQLite for local data storage, and XML for designing the user interface.
- All the components of the user interface were custom made to make the application look unique.

SKILLS

Programming Languages:

Java, C, Python

DHTML: HTML, CSS, TypeScript

Tools / Frameworks:

Spring Boot, React.js, Thymeleaf,

Java Server Pages

Others:

MySQL, Git, Data Structures and Algorithms, Competitive Programming

EDUCATION

Bachelor of Engineering

08/2019 – 06/2023

T. John Institute of Technology

Bangalore, India

Visvesvaraya Technological University (VTU), Karnataka

CGPA: 9.21/10

CERTIFICATES

Full Stack - Using React.js and Spring Boot

by Udemy (2024)

Azure Fundamentals

by Microsoft (2024)

Spring 6 and Spring Boot 3

by Udemy (2023)

Using Python to Interact with the Operating System

by Google (2021)

CS50x

by Harvard University (2020)
